

2023 Spring Cottey College Newsletter

From: Office of Institutional Advancement

Dear Sisters,

We are well into the spring semester and already looking forward to spring break! At Cottey, sophomore-level and transfer students spend the first week of spring break visiting an international city with classmates and faculty, learning about art, history, science, and culture. Cottey pays for airfare and hotel, so the trip is available to everyone. Cottey believes every student deserves a global experience, and travel to another part of the world is a valuable part of learning. This year students will be traveling to **Austria** or **New Zealand** and next year they will travel to **Ireland**.

Supporting Students

We have welcomed some new students, some students have graduated, and some students have switched suites this semester, all of which is common in higher education.

Current Cottey students from Indiana:

Name	Year	Residence Hall	Birthday	Hometown
Alyssa Kerilla	4th	Robertson Hall	November 4	Unionville
Abby McDonald	1st	P.E.O. Hall	August 16	Hartford City

Thank you for all you do to help make a Cottey education affordable!

We recognize that each state/province/district has its own way of deciding and distributing scholarship funds and we are very grateful for your efforts.

Other Important Information

Students should *not* request money or other items from any s/p/d, local chapter, or P.E.O. member. Please notify the Office of Institutional Advancement if a student contacts you with this type of request. The College will assess the student's needs and proceed accordingly. Because the adopt-a-student/suite program is coordinated by the individual state/provincial/district Cottey committees, the College does not maintain records of which students/suites are sponsored more heavily than others.

Philanthropy Matters!

The Cottey experience is your philanthropy in action! Every day, our students benefit from the phenomenal opportunities made possible through your support; whether it's in the classroom, on an excursion, an internship, or in the greater community.
